## A Perfect Day for the Harvest Festival!

THERE WASN'T A CLOUD IN THE SKY as Saturday dawned and the sun began casting its benevolent warmth upon the morning. Unlike the last two years which were threatened by cold, blustery wind and rain, THIS time promised to be a perfect day for HarvestFest and Mother Nature certainly delivered in full on that promise!

Hosted every year by the Jocelyn Recreation Committee on the Labour Day weekend, HarvestFest is considered by all to mark the unofficial end of summer, the beginning of another school year and the return of early autumn with its cooler, drier temperatures, not to mention its cavalcade of amazing colours on the trees. For others less poetic in their attitudes, it still marks the last 'big' event until Thanksgiving and Christmas.

The parking lot at the Jocelyn Centennial Grounds was already close to full and people were strolling cheerfully throughout the grounds as we drove in at 12:30 pm. Not surprisingly, the folks were drawn to the vicinity of the food booths, the stage and, of course, the field full of vendors, selling items ranging from hand knitting, alpaca products, preserves, jewellery, quilting plus many other items.

pacas, face painting, kids' games, spinning and quilting demonstrations, the Historical Society's booth beside the House of History, the old SS #2 school and the Jim Snider Antique Machinery Shed. Then there was the strange dude wandering around with his 'Bag of Tricks'

Across the field lay rows of gleaming classic automobiles as well as trucks and antique tractors, not to mention the gleaming emergency vehicles of Jocelyn Fire and Rescue. And, for the heartier

outdoors-people, there were the Log Sawing and King of the Mountain contests. You could also catch a wagon ride over to the Jocelyn Municipal Office for the Children's Fall Fair and the Scarecrow contest!

So if you didn't make it to HarvestFest this year, you missed out on a terrific time. And it's now a whole year until you get another chance to celebrate at next summer's Harvest Festival!

# A Quick Refresher on School Bus Safety.

*With thanks to the Ontario Provincial Police*

ONTARIO LAW REQUIRES MOTORISTS traveling in both directions to stop their vehicle when approaching a stopped school bus with its upper lights flashing. When meeting a school bus in oncoming traffic, you must stop far enough away to allow students to cross the road well ahead of the bus bumper. Remain stopped until the school bus begins to move, and the upper red lights have stopped flashing. This law applies on highways, city streets and country roads regardless of the posted speed limit, at any time of day, and every day of the week. School buses are also required to stop at railway crossings under the Highway Traffic Act. And kids, here are some important safety tips to remember:

- Never run to the bus or away from it;
- The “danger zone” is anywhere close enough to the bus that you can touch it. If you’re that close, the bus driver can’t see you;
- When the bus arrives, wait until it has come to a complete stop. The stop arm will be out and the red lights will be flashing. Always watch for traffic in both directions if you are crossing the road;
- If you drop something near the bus, don’t stop to pick it up. Tell the driver or another adult.

You don’t take the school bus? You still need to remember:

- Always walk on a sidewalk if available. If

# ST. JOSEPH ISLAND MUSEUM MOMENT

WHAT A BEAUTIFUL DAY FOR HARVESTFEST! First off, I would like to thank the organizers of this event for allowing us to sell memberships and to make our draws on site once again. I would also like to thank board member Janet Callahan who graciously volunteered her time to sell memberships while I stayed at the museum and entertained our visitors.

So without delay here are the winners of the “members only draw”

- \$500 cash donated by the Matthews Family - Brian Read and Ruth Galinis
- \$300 cash donated by Algoma Financial Group - Germaine Tayler
- \$100 Fuel Card donated by New North Fuels - Ted Alleyway

Congratulations to these winners and thank you to all who purchased a membership this year. Thanks you as well to these generous individuals/organizations for their donations.

Our ‘What is it?’ artifact this year was pulled out of the jar as we had a few correct guesses. It was won by Marvyn McKay. He won a \$40 gift card donated by Hess Jewellers for guessing that it was a cuspidor or spittoon. Want to know an interesting few tidbits about a spittoon? The use of a spittoon was considered an advance of public manners and health. They were intended to replace spitting on floors, streets and sidewalks. Then, in 1918 after a flu epidemic, both hygiene and etiquette advocates began to discourage public use of the spittoon and its usage then began to decline. Chewing gum started to replace chewing tobacco and cigarettes were considered more hygienic than the spit-inducing tobacco. How times change...isn't history fascinating?

As they head back to school this week, I would like to take this opportunity to thank the summer students who worked at the museum this year: Hailey Szyska, Kyle Gauthier and Liam Murdock. These students have helped me immensely over the summer with many projects and endured the extreme heat, and for that I would like to publically thank them and wish them well in their upcoming year at school.

The museum is still open, the weather is grand, fall is my favourite season, so why not come over one last time before we close, which will be happening very soon.

*Carrie Kennedy-Uusitalo, Curator*

### BUS SAFETY . . . continued from page 5

there is no sidewalk, you should walk on the shoulder of the road and walk facing traffic;

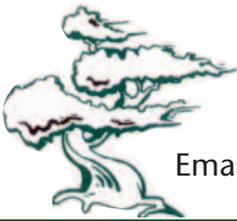

- When crossing the road, use locations that have a crossing guard or a signaling device such as a traffic light, or at stop signs;
- If you are riding your bicycle, you must still obey all traffic laws. This includes stop signs, traffic lights, riding with traffic not against traffic and obeying crossing guards.

A second's inattention can change your life forever. Let's all be safe this school year!
